Description

This 2023 Toyota Yaris VVT-h Design has covered just 9,012 miles, offering a nearly new experience for its next owner. As a Design trim model, this hatchback features a 1.5-litre petrol hybrid engine that meets Euro 6 emission standards. The vehicle is well equipped with practical technology, including automatic LED headlights with an integrated front light guide to ensure clear visibility. Inside, the cabin maintains a comfortable environment through automatic air conditioning, while the driving experience is supported by adaptive cruise control for smoother journeys on motorways and longer roads. The efficiency of this hybrid system is a significant advantage, as it achieves an impressive 69 mpg, making it a highly economical choice for daily commuting and longer trips.
