Description

This 2025 Toyota Yaris VVT-h Design offers a rare combination of near-new condition and single-owner provenance, having covered only 2,158 miles. As a Toyota manufacturer approved vehicle, it comes with the peace of mind of a full dealership service history, with its most recent service completed at 1,696 miles in March 2026. This 1.5-litre petrol hybrid model is Euro 6 compliant and includes an MOT valid until March 2028, alongside 21 months of remaining warranty. The Design trim is well-equipped with practical technology, featuring full-range adaptive cruise control for easier motorway driving and automatic air conditioning to maintain a comfortable cabin temperature. Visibility is enhanced by LED headlights, which include an LED front light guide
