Description

This 2025 Toyota Corolla VVT-h Excel is a well-maintained vehicle that has had only one owner from new. As a high-specification Excel trim, this model features a 2.0L petrol hybrid engine that meets Euro 6 emission standards. The car is equipped with a range of practical technology, including smart entry with keyless access and dual auto air conditioning for cabin comfort. Visibility and parking are managed through high-grade LED headlights, auto fold and heated wing mirrors, and a comprehensive system of front and rear parking sensors with intelligent clearance sonar to assist with manoeuvring. The performance of this hybrid model is a significant highlight, as it is capable of accelerating from 0 to 62mph in just 7.4 seconds. This swift acceleration,

Every effort has been made to ensure the accuracy of the information above, however, errors may occur.
