Description

This 2024 Toyota Yaris VVT-h Design has been carefully maintained by just one owner and has covered only 9,087 miles. This hatchback features a 1.5 litre petrol hybrid engine that meets Euro 6 emission standards, making it a modern and efficient choice for daily driving. Inside the cabin, the vehicle is equipped with a range of technology designed for convenience and safety, including smartphone integration with Apple CarPlay and Android Auto, as well as Bluetooth connectivity. Parking is made simpler with the inclusion of a reversing camera, while the Toyota Safety Sense 2 package provides additional support, featuring adaptive cruise control to assist with maintaining a steady speed on longer journeys. The efficiency of this hybrid model is a
