Description

This 2025 Toyota Yaris VVT-h Design offers the peace of mind that comes with having only one previous owner and a full dealership service history. As a Toyota manufacturer approved vehicle, this 1.5L petrol hybrid model is compliant with Euro 6 emission standards and benefits from a low CO2 output. The car is ready for the road with an MOT valid until May 2028 and the remainder of its warranty lasting for 23 months. Inside, the cabin is equipped with automatic air conditioning and climate control for your comfort, while technology is kept simple with smartphone integration for both Apple CarPlay and Android Auto. Visibility is enhanced by LED headlights and a front light guide, which work alongside automatic headlights that switch on when needed. The vehicle was
