Description

This 2024 Toyota Yaris VVT-h Design is a reliable choice, having been maintained with a full service history and previously driven by only one owner. As a Toyota manufacturer approved vehicle, this 1.5L petrol hybrid model meets the Euro 6 emission standards, ensuring it remains a clean and efficient option for modern driving. Inside, the cabin is equipped with automatic air conditioning to keep the temperature comfortable, while the reversing camera assists with parking manoeuvres. Connectivity is straightforward thanks to smartphone integration, which includes both Apple CarPlay and Android Auto, and the driving experience is supported by adaptive cruise control and automatic headlights that adjust to the conditions. The efficiency of this hybrid
