## Description

With only 6,489 miles on the clock, this 2025 Peugeot E-208 GT offers a nearly new driving experience for its next owner. This electric hatchback comes in the high-specification GT trim, ensuring a premium feel throughout. Inside, the cabin is equipped with modern technology, including a 15W wireless charging plate for your smartphone and a Bluetooth telephone facility. Connectivity is seamless thanks to the wireless mirror screen, which supports both Apple CarPlay and Android Auto. Manoeuvring is made straightforward with the inclusion of front and rear parking sensors to assist with tight spaces. The vehicle is designed for efficient daily use, featuring a 51 kWh battery that provides a maximum range of 263 miles when new. Charging is versatile and
