Description

This 2021 Toyota Yaris VVT-h Design comes with the peace of mind of being a Toyota manufacturer approved vehicle and boasts a full service history. This hatchback features a 1.5 litre petrol hybrid engine that meets Euro 6 emission standards, making it a practical choice for modern driving. Inside, the cabin is equipped with automatic air conditioning and climate control to keep the temperature comfortable. Technology is well integrated, offering Bluetooth connectivity and smartphone integration through both Apple CarPlay and Android Auto. For added convenience and safety, the car includes a reversing camera with parking assistance, alongside the Toyota Safety Sense 2 suite which features adaptive cruise control. The efficiency of this hybrid model is a
