Description

The Toyota Yaris, a 2021 model, is a reliable and efficient vehicle that boasts a 1.5L Petrol Hybrid Engine, making it an excellent choice for those seeking a fuel-efficient ride. This Excel variant comes with a range of impressive features, including LED Headlights, which provide enhanced visibility on the road. The vehicle is also equipped with Front and Rear Parking Sensors and Intelligent Clearance Sonar with Automatic Braking, making parking and low-speed manoeuvres a breeze. Additionally, the Yaris features Smartphone Integration, allowing seamless connectivity with Apple CarPlay and Android Auto. Automatic Headlights are also standard, ensuring optimal visibility in various lighting conditions. Furthermore, the Toyota Safety Sense 2 system is fitted,
