Description

This 2023 Toyota C-HR VVT-h Design has covered just 20,000 miles, offering a low mileage option for those seeking a modern hybrid. This vehicle features a 1.8 litre petrol hybrid engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. Inside, the cabin is equipped with an 8 inch HD Toyota Smart Connect multimedia system, which includes wireless phone charging for added convenience. Comfort is prioritised with heated driver and front passenger seats, while safety is supported by a comprehensive Parking Pack that includes front and rear sensors, along with a reversing camera. The vehicle also includes a Blind Spot Monitor with blind spot assistance to help with awareness on the
