Description

This 2022 Toyota Yaris VVT-h Design has been carefully maintained by just one owner and has covered only 14,816 miles. As a hybrid model, this vehicle combines a 1.5 litre petrol engine with an efficient electric motor, meeting Euro 6 emission standards. The Design trim level offers a practical and comfortable driving experience, equipped with automatic headlights and bright LED headlights for improved visibility. Inside, the cabin features automatic air conditioning with climate control to maintain a pleasant temperature, while Bluetooth connectivity allows for easy integration of your devices. Parking is made straightforward with the inclusion of a reversing camera to assist with manoeuvres. The efficiency of this Yaris is a significant
