Description

With only 1500 miles on the clock and a single previous owner, this 2026 Toyota Yaris VVT-h Design offers a nearly new driving experience. This hatchback is powered by a 1.5 litre petrol hybrid engine that meets Euro 6 emission standards, ensuring it remains efficient and compliant for modern driving. The Design trim comes well equipped with a comprehensive Safety Pack, which includes blind spot assistance along with front and rear parking sensors to assist with manoeuvring. Comfort and convenience are prioritised through automatic air conditioning with climate control, while visibility is enhanced by automatic LED headlights. For longer journeys, the vehicle is fitted with full range adaptive cruise control to help maintain a steady speed. This Yaris
