Description

This 2021 Toyota Yaris VVT-h Design offers a rare combination of reliability and care, having been driven for only 18,900 miles by a single owner. As a Toyota manufacturer approved vehicle with a full service history, this 1.5L petrol hybrid hatchback provides peace of mind alongside its efficient Euro 6 engine. The interior is equipped with modern technology to keep you connected and safe, featuring smartphone integration with Apple CarPlay and Android Auto, as well as Bluetooth connectivity. Manoeuvring is made straightforward with the included reversing camera, while the Toyota Safety Sense 2 package adds adaptive cruise control and automatic headlights to assist you on every journey. Choosing this hybrid model brings significant benefits,
