Description

This 2020 Toyota Yaris VVT-h Design has covered a very low 20,650 miles, making it an excellent choice for those seeking a well-maintained vehicle. As a 1.5L petrol hybrid model, this car combines efficiency with modern technology, meeting Euro 6 emission standards. The Design trim level includes a range of practical features, such as LED headlights for improved visibility and a reversing camera with parking assistance to make manoeuvring simpler. Inside, you will find Bluetooth connectivity alongside smartphone integration, which supports both Apple CarPlay and Android Auto for seamless access to your apps. Safety is also prioritised through the inclusion of Toyota Safety Sense 2, which features adaptive cruise control to assist with your driving
