Description

This 2023 Toyota Yaris VVT-h Design offers a rare combination of modern reliability and careful ownership, having covered just 18,000 miles with only one previous owner. This hybrid hatchback features a 1.5 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. Inside, the cabin is equipped with the Toyota Touch 2 with Go Navigation system for easy route planning, while automatic air conditioning with climate control maintains a comfortable temperature regardless of the weather. Driving is made simpler and safer through the inclusion of adaptive cruise control, alongside LED headlights that feature automatic activation to improve visibility when conditions change.
