Description

This 2025 Toyota Corolla VVT-h Design is a rare find, having been driven just 5,609 miles by its single previous owner. As a Toyota manufacturer approved vehicle, this 1.8L petrol hybrid model offers peace of mind alongside its modern specification. The Design trim includes practical technology such as LED headlights with automatic activation, ensuring visibility is always clear. Inside, the cabin is equipped with dual-zone automatic air conditioning for personalised comfort, while the inclusion of wireless phone charging and Bluetooth connectivity keeps you seamlessly connected on every journey. Efficiency and practicality are at the heart of this vehicle, making it a sensible choice for daily driving. It achieves an impressive 61 mpg and benefits from low CO2
