Description

This 2022 Peugeot 2008 GT offers a practical and modern driving experience with a low mileage of just 20,702 miles. As a GT variant, this vehicle is powered by a 1.2L petrol engine that meets Euro 6 emission standards. Inside, the cabin is equipped with the Peugeot 3D i-Cockpit, which features a configurable 3D head-up instrument panel to keep essential information in your line of sight. Comfort is prioritised with heated front seats, while the visibility pack includes automatic headlights for added convenience. Safety is supported by a blind spot monitoring system with blind spot assistance, and you can stay connected on the move using the integrated Bluetooth telephone facility. This model stands out for its balance of efficiency and performance, achieving a fuel
