Description

This 2021 Toyota Yaris VVT-h Design is a well-maintained hatchback that comes with a full service history and the peace of mind that it is Toyota manufacturer approved. With a recorded mileage of 28,138 miles, this vehicle has covered a low distance for its age. It is powered by a 1.5-litre petrol hybrid engine that meets Euro 6 emission standards, making it a practical choice for modern driving requirements. The vehicle is designed to offer efficiency and convenience, boasting an impressive fuel economy of 69 mpg alongside low CO2 emissions. Drivers benefit from a range of helpful technology, including a reversing camera with parking assistance and automatic headlights that switch on when needed. Comfort is managed by
