Description

The 2019 Toyota RAV4 VVT-h Dynamic is a capable SUV that combines a 2.5 litre petrol hybrid engine with a four wheel drive system. This vehicle meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Inside, the cabin is equipped with several practical features designed for comfort and convenience, including heated seats for both the driver and front passenger. Drivers can also benefit from the keyless entry system with push button start, dual zone automatic air conditioning, and Bluetooth connectivity for seamless device integration. Visibility is enhanced by the inclusion of LED projector headlamps. This model stands out for its balance of performance and efficiency, offering a 0 to 62 mph acceleration time of 8.4 seconds while
