Description

This 2023 Toyota RAV4 VVT-h Excel is a well-maintained hybrid vehicle that combines a 2.5-litre petrol engine with efficient electric power. It meets Euro 6 emission standards, making it a modern choice for daily driving. The vehicle has covered a very low mileage of 18,750 miles and comes with a full dealership service history, with the most recent service completed on 23 February 2026 at 15,672 miles. The RAV4 is designed for practicality and comfort, offering a large boot space that provides ample room for luggage and shopping. Drivers can enjoy a smooth experience with the 2.5-litre engine, which allows the car to accelerate from 0 to 62mph in 8.4 seconds. The Excel trim includes several convenient features, such as a heated steering wheel, a reversing
