Description

This 2021 Toyota Yaris Cross VVT-h Design offers a practical and modern driving experience. As a hybrid vehicle, it combines a 1.5 litre petrol engine with electric power, meeting Euro 6 emission standards. The vehicle has covered 25,320 miles, which is a very low mileage for its age. It comes well equipped with features such as LED projector headlights that switch on automatically, intelligent adaptive cruise control for easier motorway driving, and a reversing camera to assist with parking. Connectivity is straightforward thanks to the built-in Bluetooth system. The Yaris Cross is designed to be an economical choice for daily travel, achieving an impressive 63 mpg. Its low CO2 emissions and low insurance group rating make it a cost-effective option compared to many other vehicles in its
