Description

This 2026 Toyota Yaris VVT-h Design is a modern hatchback that offers a practical driving experience. With only five miles on the clock, this vehicle is essentially brand new and has had just one owner from its initial registration. It is powered by a 1.5 litre petrol hybrid engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The vehicle is designed with efficiency and convenience in mind, boasting an impressive fuel economy of 91 mpg. It is also categorised in a low insurance group, which helps to keep running costs manageable for the owner. The car is well equipped with features such as automatic air conditioning and climate control to maintain a comfortable cabin temperature, while Bluetooth connectivity allows for
