Description

This 2026 Toyota Yaris VVT-h Design is a modern hatchback that combines efficiency with practical technology. As a hybrid model, it features a 1.5-litre petrol engine that meets Euro 6 emission standards. This specific vehicle has been well maintained with only one owner from new and has covered just 5 miles, making it an excellent choice for those seeking a nearly new car. The Yaris Design stands out for its focus on economy and driver convenience. It offers impressive fuel efficiency with a rating of 91 mpg, alongside low CO2 emissions and a low insurance group, which helps to keep running costs manageable. The vehicle is equipped with a comprehensive Safety Pack that includes blind spot assistance and both front and rear parking sensors to
