Description

This 2026 Toyota Yaris Cross VVT-h Design is a modern hybrid vehicle that has had only one owner from new. With a recorded mileage of just 5 miles, this car is in an exceptionally low mileage condition for its age. It is powered by a 1.5 litre petrol hybrid engine and meets Euro 6 emission standards, making it a contemporary choice for those seeking a recent model with minimal usage. The vehicle is designed with efficiency and safety in mind, offering low CO2 emissions and falling into a low insurance group, which helps to keep running costs manageable. It comes well equipped with advanced technology, including Toyota Safety Sense 3 and full range adaptive cruise control to assist with driving comfort. Visibility is enhanced by LED projector headlights, LED
