## Description

This 2026 Skoda Octavia TSI vRS is a high-performance vehicle that comes with the peace of mind of being Skoda manufacturer approved. With only one owner from new and a full service history, this car has covered just 7 miles, representing a very low mileage example for its age. It is powered by a 2.0L petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The Octavia vRS is designed to balance practicality with performance, offering a large boot space that makes it a versatile choice for daily use or longer journeys. Drivers can experience impressive acceleration, with the car capable of reaching 0-60mph in 6.2 seconds. The interior is equipped with modern technology to enhance the driving experience, including
