Description

This 2026 Toyota PROACE CITY 1.5 BlueHDi Icon Short Panel Van is a practical and modern commercial vehicle. As an Icon trim model, it features a 1.5 litre diesel engine that meets Euro 6 emission standards. This specific van has been well maintained with only one owner from new and has covered a very low mileage of just 5 miles, making it an excellent choice for those seeking a vehicle in near-new condition. The vehicle is designed to be efficient and user-friendly, offering a fuel economy of 52 mpg and low CO2 emissions, which helps to keep running costs manageable. It is also placed in a low insurance group, adding to its overall affordability. The van is equipped with a range of helpful technology, including a rear view camera and front, side, and rear parking sensors to assist
