### Description

This 2022 Audi Q2 TFSI Black Edition is a compact SUV that combines style with practical performance. Powered by a 1.5 litre petrol engine, this vehicle meets Euro 6 emission standards, making it a suitable choice for modern driving requirements. It has covered 22,250 miles, which is a low mileage for its age, indicating that it has been used sparingly. The Black Edition trim offers a range of features designed to enhance the driving experience. Manoeuvring is made easier with rear parking sensors and parking assistance, while visibility is supported by LED headlights and rear lights. Inside, the cabin includes manual air conditioning and a Bluetooth interface for connectivity. Drivers can also utilise the Audi Smartphone interface, which supports both Android Auto and Apple CarPlay for
