Description

This 2026 Toyota Yaris VVT-h Design is a practical choice for those seeking a reliable and modern vehicle. Having covered only 3,591 miles, this car has been well maintained by its single previous owner. It is powered by a 1.5-litre petrol hybrid engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The vehicle offers several benefits that make it an efficient option for daily driving. It is particularly economical, achieving an impressive 91 mpg, and benefits from low CO2 emissions and a low insurance group, which helps to keep running costs manageable. Technology is well integrated, featuring Bluetooth connectivity and smartphone integration with both Apple CarPlay and Android Auto for seamless device
