Description

This 2026 Toyota RAV4 Design is a practical and efficient choice, powered by a 2.5 litre petrol plug-in hybrid engine that meets Euro 6 emission standards. With only one owner from new, this vehicle has covered a very low mileage of 3,110 miles, reflecting its well-maintained condition. It combines the reliability expected of the Toyota brand with the modern efficiency of a plug-in hybrid powertrain, making it a suitable option for those seeking a recent model with minimal previous use. The interior is equipped with technology designed to enhance daily driving comfort and convenience. Drivers benefit from a heated steering wheel and a 12.9 inch Toyota Smart Connect multimedia system, which includes wireless smartphone integration for both Apple CarPlay and
