Description

This 2023 Toyota Corolla VVT-h Icon is a well-maintained vehicle that has covered 12,959 miles since its registration. It is powered by a 1.8-litre petrol hybrid engine, which meets Euro 6 emission standards. Inside, the cabin is equipped with several practical features, including dual-zone automatic air conditioning and heated seats for added comfort. The vehicle also includes LED headlights for improved visibility and offers modern connectivity through smartphone integration, supporting both Apple CarPlay and Android Auto. A wireless charger is also provided to keep devices powered during journeys. The Corolla stands out for its efficiency and practicality, offering a fuel economy of 63 mpg and low CO2 emissions, which helps to reduce running costs. It is also
