Description

This 2024 Toyota Yaris VVT-h Design is a modern hatchback that has been well maintained by its single previous owner. With only 3,265 miles on the clock, this vehicle offers a nearly new experience for its next driver. Under the bonnet, it features a 1.5-litre petrol hybrid engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The Yaris Design is built for efficiency and convenience, boasting an impressive fuel economy of 69 mpg and low CO2 emissions, which helps to keep running costs manageable. It also sits in a low insurance group, making it an economical choice for a wide range of drivers. The interior is equipped with automatic air conditioning and climate control for comfort, while Bluetooth connectivity
